# STEP BY STEP GUIDE TO ASSESSMENT

**Step One** Determine whether or not the client has a partner whose means should be aggregated for the purposes of the assessment.

**Step Two (a)** Determine whether the client is directly or indirectly in receipt of either Income Support, Income Based Job Seekers' Allowance, Income Related Employment and Support Allowance, Guarantee State Pension Credit or Universal Credit in order to determine whether the client automatically satisfies the relevant financial eligibility test as indicated by the 'passported' arrangements stated in the table on reverse.

**Step Two (b)** Assess gross income for all other cases. Determine whether the client is directly or indirectly in receipt of Working Tax Credit along with Child Tax Credit or Working Tax Credit with disability element. The client will be 'passported' on income where gross limit £14,213 not exceeded.

**Step Three** For any cases that are not 'passported' determine the client's disposable income. Fixed allowances are made for dependants and these are set out in the table below. Other allowances can be made for: tax; national insurance and maintenance paid. Certain sources of income can be disregarded. If the resulting disposable income is above the relevant limit then funding should be refused across all levels of service without any further calculations being necessary.

## Fixed rate allowances (per week) from 7 April 2014

---

Dependants Allowances	Partner	£41.30
	Child aged 15 or under	£66.33
	Child aged 16 or over	£66.33

---

**Step Four** Where a client's disposable income is below the relevant limit then it is necessary to calculate the client's disposable capital. If the resulting capital is above the relevant limit, then the application should be refused.

**Step Five** For those clients whose disposable income and disposable capital have been assessed below the relevant limits then for all levels of service the client can be awarded funding.
